Exact prompt excerpt (first 620 characters)

2015 ACTIONS AND RESULTS FUTURE EXPECTATIONS AND ACTIVITIES ENGAGEMENT AND DEVELOPMENT [U+F0B7] In 2015, we established a project plan for setting up a new compensation and benefits policy based on global survey results to ensure Genmab provides compensation in line with industry standards. [U+F0B7] We launched an internal roadmap to identify actions necessary to move the company towards achieving the 2025 vision. The vision roadmap formed the basis of an all day workshop held for the entire company. [U+F0B7] During 2015, Genmab implemented succession planning for the top management level at the company. [U+F0B7] We developed and executed a
