Investec · 2021 · G1-4

Generated disclosure · verbatim

Accordingly, Investec does not present a quantified 2021 total for confirmed corruption or bribery incidents, convictions or related fines, and no conclusion that the number of incidents was zero should be drawn from the absence of these metrics.

Extracted DC

Investec does not present a quantified 2021 total for fines for violations of anti-corruption or anti-bribery laws.

Visible evidence · Evidence 21 · source year 2017

Company: Investec. Reporting year: 2017. ESG topic: gov. ESRS standard: G1. Disclosure requirement: G1-4. Indicator: Number of confirmed incidents of corruption or bribery. Value: 0.0.

Automatic diagnostic rationale

The evidence addresses zero confirmed corruption or bribery incidents and no significant fines in 2017, but the target centrally asserts non-disclosure of a quantified fines total for 2021.
